PUBLIC NOTICE:

Online Firearms Transaction Recording Application (E-FA-10)

On June 1, 2011, E-FA-10 replaced the paper firearms transaction forms (FA-10) used by Massachusetts residents to record firearms transactions with the Firearms Records Bureau (FRB) as required by G.L. c. 140, §§ 128A and 128B.

E-FA-10 is an internet-based application that allows residents of the Commonwealth to safely and securely submit firearms transfer and registration records electronically from *any internet enabled computer*.

E-FA-10 allows residents to perform following functions:

- Record the sale or transfer of a weapon
- Record the inheritance, loss, or theft of a weapon
- Record the surrender of a weapon to a police department and create a receipt
- Record the transfer of a surrendered weapon to a dealer or private party
- Create a 24 hour license validation certificate

E-FA-10 is available at: <https://mircs.chs.state.ma.us/fa10>.

In order to access the E-FA-10 system, a user will need his/her firearms license number and personal identification number (PIN). If you do not have your PIN, please contact the licensing authority from which you obtained your firearms license or call (617) 660-4722 for assistance.

E-FA-10 should be used for private transactions only. *Licensed firearms dealers must still continue to use the MIRC'S Dealer Application to record all sales and transfers.*

FRB staff is available at (617) 660-4782 during business hours (M-F 9:00 am-5:00 pm) to assist E-FA-10 users and answer any questions.

Thank you,

Michaela Dunne
Director of the Firearms Records Bureau
